

The logo features a stylized orange 'X' symbol on the left, followed by the word 'FIBRAPACK' in large white uppercase letters, and 'PALM' in smaller orange uppercase letters below it.

FIBRAPACK PALM

The background of the entire image is a solid blue color. Scattered across it are several pieces of light beige, textured compostable packaging. There are three square-shaped containers, some with a faint embossed star-like pattern. There are also several rectangular containers, some with a grid-like embossed pattern. Interspersed among the packaging are several fresh, dark green palm leaves, some showing the stem and small buds.
